# yearbook staff

The Cayugan staff of Lancaster Central High, during the school year 1956 - 1957, have worked continuously as photographers, designers, and write-up committees to assemble this yearbook. Our services have been volunteer after-school duties that required sacrifice by all, but in return we gained satisfaction and the thrill of accomplishment.

Carol Sada, Judi Wood and Penny Young gave most dependable service until the book went to press. John Wrobbel did a fine quality of work on the illustrations. In the above photo we proudly present our members:

1st: C.Sada, T.Shrigley, J.Wood, P.Young, A.Roll
2nd: M.Deutschlander, L.Lang, T.Rohl, J.Van Sickle

# CAYUGAN

## foreword

We graduates of 1957 face a world where the atom dominates -- and threatens. It is our task to use our education in two ways: to keep the world at peace and further the scientific benefits of our time.

America needs more than skilled chemists, engineers, and technical experts. Our class, and those like us all over the nation, must have minds trained for leadership, good judgment, and courage to solve the problems of the twentieth, the atomic, century.

# The Senior Class of Lancaster Central High Lancaster, New York

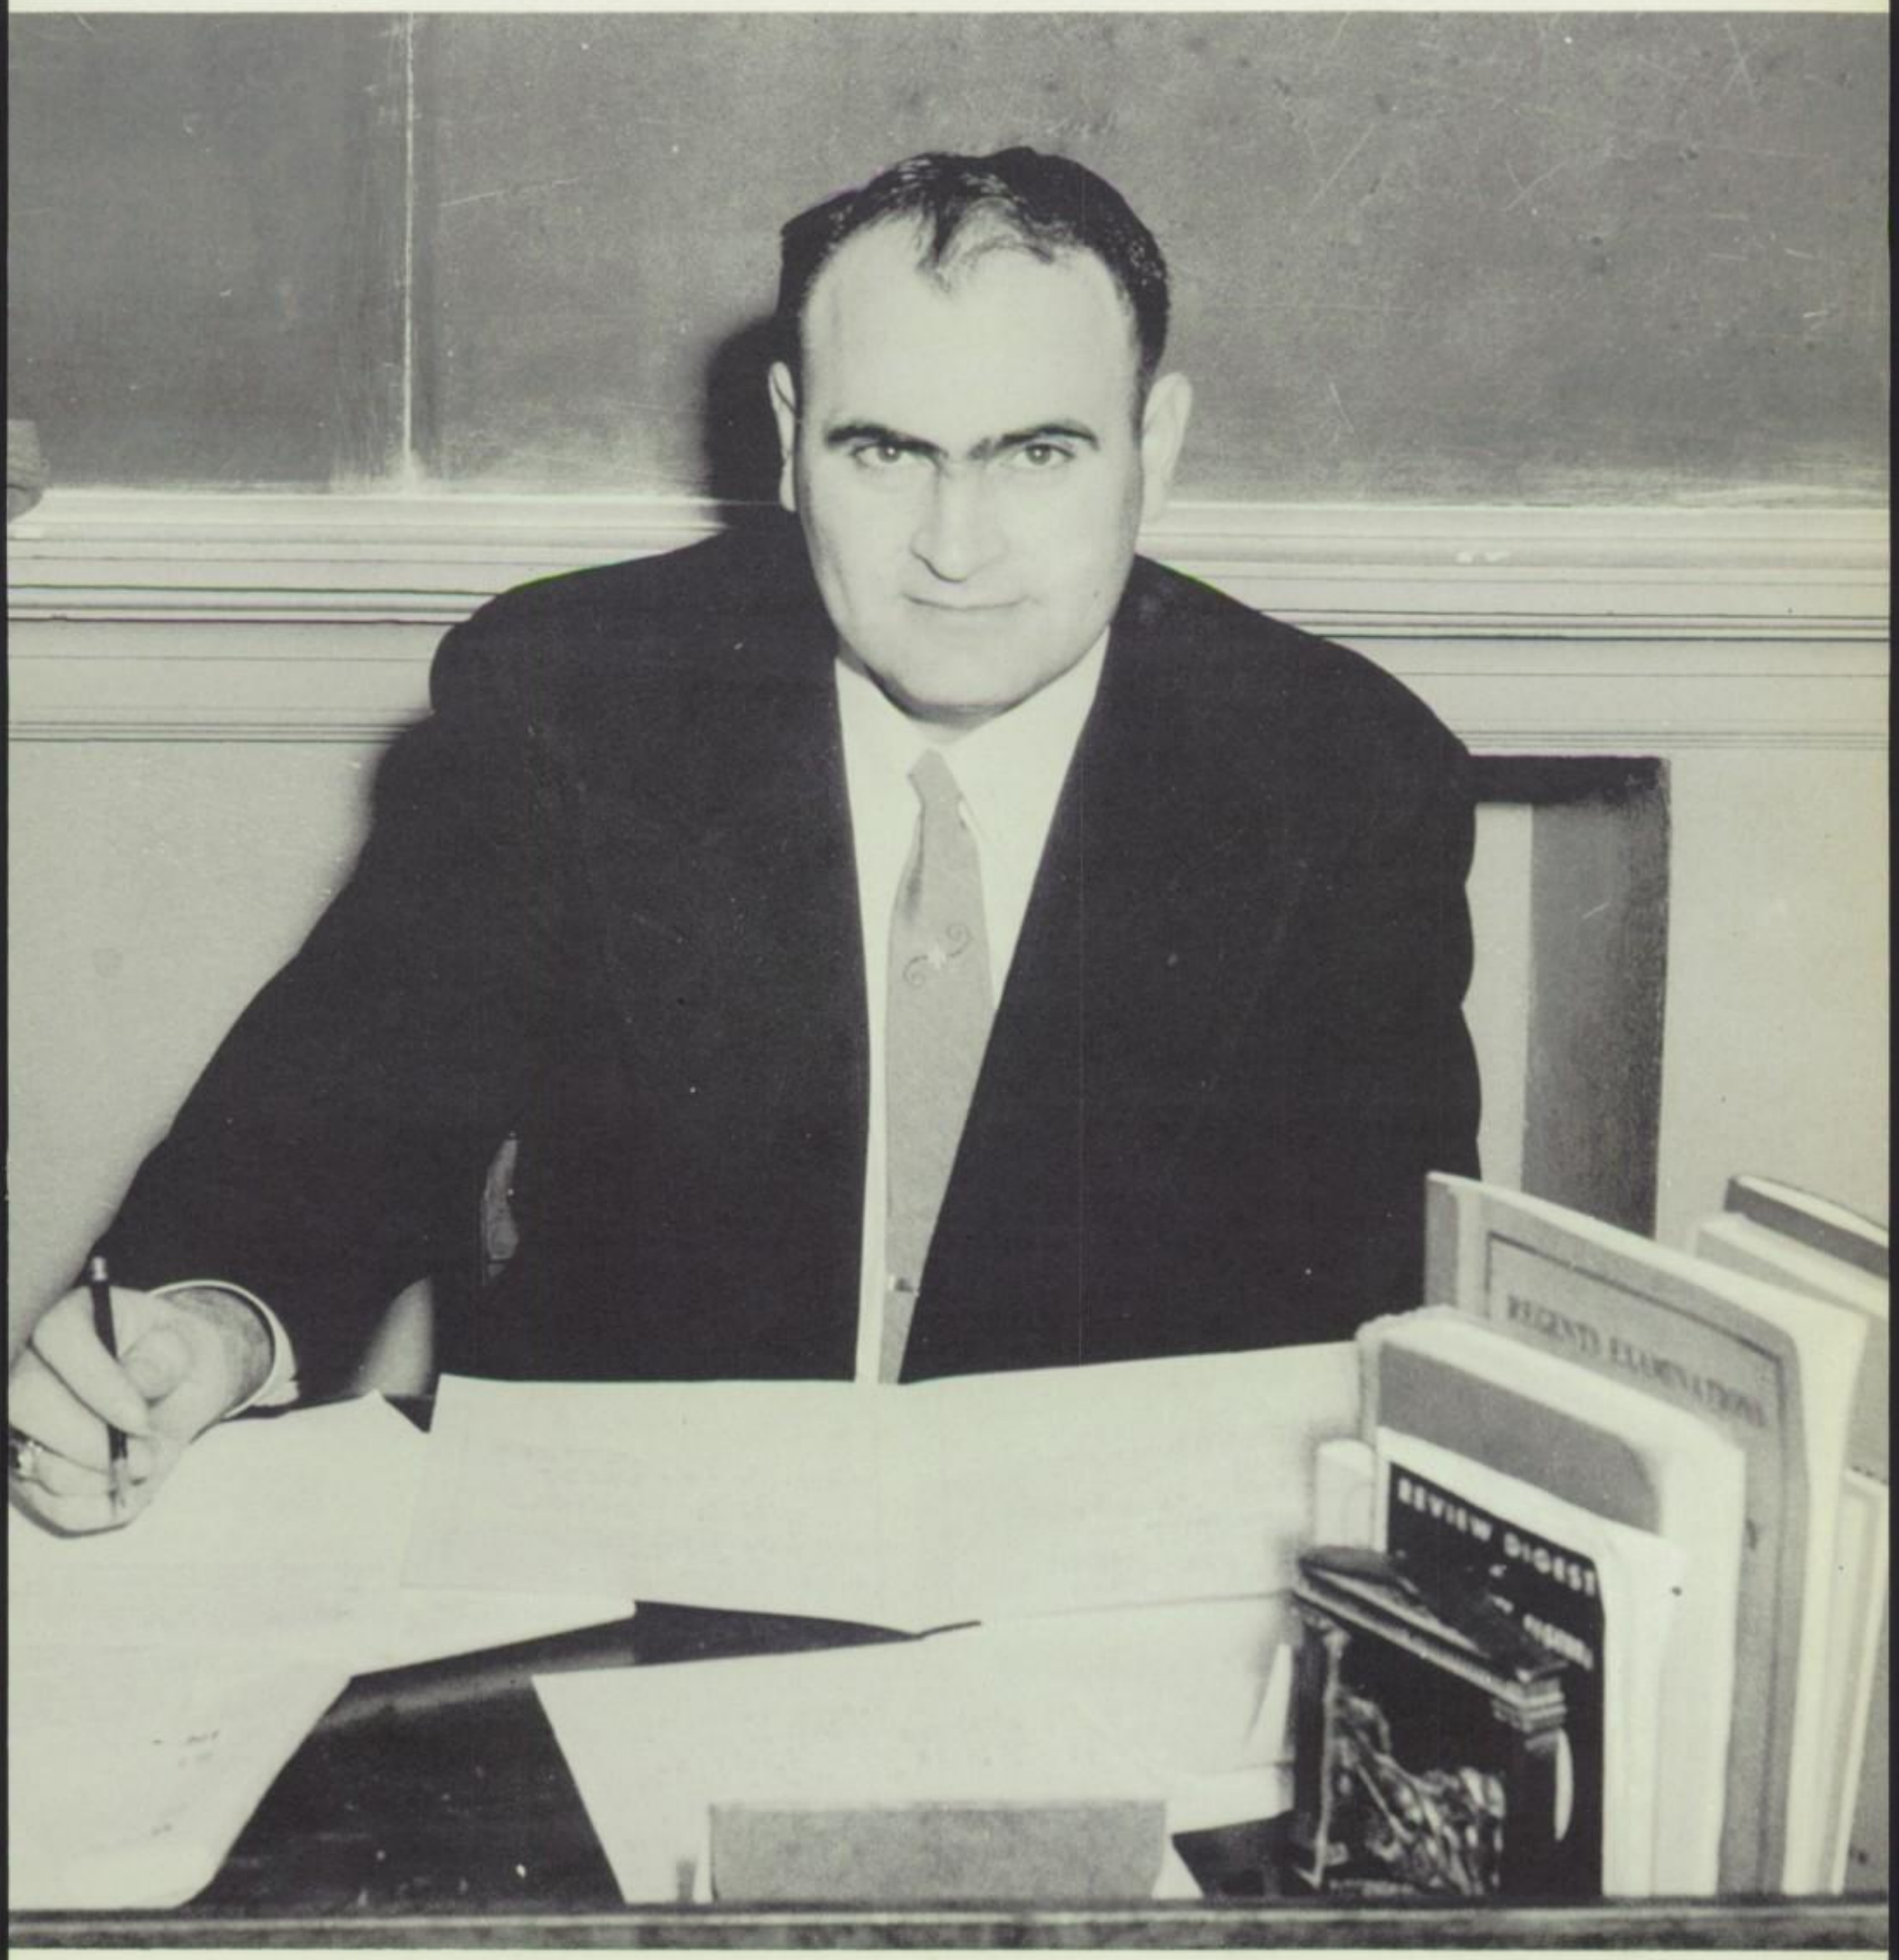
# dedication

It is to Miss Sylvia Henzler, and to her two years of unselfish and untiring service, resourcefulness and determination that this, our 1957 Cayugan, is dedicated.

# appreciation

Good luck Pete
Oscar Roaldi

The Seniors deeply appreciate the hard work and many hours of extra time given to their class activities by their adviser, Mr. Oscar Roaldi, who took over the position in September, 1956.



# administration

MR. KLING

OFFICE STAFF: Miss Spanitz, Miss Krieke, Mrs. Schmitz, Mrs. King, Mrs. Waldmiller, Miss Schmidt, Mrs. Kelly

Although they worked against overcrowded conditions at L.H.S., caused by our huge student enrollment, our administrators and office staffs kept the schedule of classes and activities running smoothly.

Mr. Brown headed the entire Lancaster Central System; Mr. Kling remained at the helm of the high school, with Mr. Schrader and Mr. Wright as assistants.

Seated: Mr. Grau, Mr. Winter, president; Mr. Davidson, attorney, Mr. Smallidge
Standing: Mr. Swanson, Mr. Fellinger, Mrs. Hummel, clerk; Mr. Sheehan, Mr. Anstett, Mr. Brown, superintendent of schools.

The Lancaster Central School Board of Education, during the year 1956-1957, spent long hours planning for the education of the youth in this school district.

Contracts were signed for a new 20-stall bus garage, as voted on March 6, 1956. Equipment was purchased for the new Senior High School to be opened in September 1957. The new Court Street Elementary School and the Transit Road Elementary School addition were opened last September and dedicated during the winter to the boys and girls of the area.

Plans have been discussed for an addition to both the Central Avenue and Como Park Schools to house the rapidly growing elementary enrollment.

In February 1957 a four and a half million dollar bond issue was sold to finance the buildings recently completed or under construction.

Mr. Walter H. Winter was first elected to the Board of Education in July 1947. This was eight years before centralization. He has served the district continuously since that time, being President of the Board since July 1952. Although his position as Personnel Director at Scott Aviation Corporation in Lancaster is a demanding one, we are grateful that Mr. Winter has given unsparingly of his time to further the interests of the Lancaster Public Schools.

## THE TEACHER IN THE ATOMIC AGE

Today's teachers must give their students a clear understanding of the problems they will face in our atomic world.

Teachers can help us meet economic problems by grounding us in the courses necessary for today's business and industry.

They can improve students' skill in communicating and expressing ideas.

Above all, they can teach us tolerance of races, religions and backgrounds different from our own so that we can live peacefully together in one atomic world.

HEALTH STAFF

Mrs. Vasbinder, Miss Beeman, Mrs. Taylor, Mrs. Domroes, Mrs. Wolko and Miss Baird assisted Dr. Addesa in giving Salk vaccine to L.C.H.S. students who had no previous protection.

# history

In the great atomic era unfolding before us, the motto of the Seniors, "Ours is the world," takes on a more effective meaning. Scientists are gradually becoming masters of our world. Perhaps one of our classmates will have some part in this great research that should build a better life for us all.

To handle our class problems systematically, we organized in our sophomore year under the guidance of Miss Henzler. Our officers were Paul Ezzo, president; James Kegler, vice-president; Karen Bellas, secretary; Carol Sada, treasurer. The class sold magazines and Christmas cards to boost the treasury. Our Sweetheart Dance as well as our socials are now happy memories.

In our junior year the class was led by John Wrobbel, president; Francis Dalconzo, vice-president; Penelope Young, secretary, and Alice Roll, treasurer. We chose our class colors, pink and charcoal grey, and our flower, the pink rose. Climaxing our year's events Queen Marilyn Roll and King James Kegler reigned over the first annual Junior-Senior Ball.

Now we have reached our final year, with the distinction of being that last Senior Class to walk these beloved halls. We worked under the leadership of our new adviser, Mr. Roaldi, and our officers: Edward Kinner, president; James Kegler, vice-president; Penelope Young, secretary, and Lawrence Schmitz, treasurer. We sponsored a successful yearbook patron drive, our third magazine and card sale, the Sadie Hawkins Dance, class socials and a Splash Party. We now anticipate the Senior Play, "Arsenic and Old Lace," our last big ball, and a sad but wonderful finale -- graduation.

# junior-senior ball 1956

On May 29, 1956 the Classes of '56 and '57 held the first combined Junior-Senior Ball in the Central Avenue Gym.

The court of Queen Marilyn Roll and King James Kegler consisted of the first and third attendants from the Junior Class, Carol Rexicker, Ronald Martzolf, Ruth Fragale, and Kenneth Cummings. Attendants from the Senior Class were Janice Karl, Joseph Palermo, Louise Phillips, and Robert Weirick.

Pink, charcoal gray and white crepe paper formed the canopied ceiling. Dancing to the strains of Kal Stuart's Band, we noticed the theme, "Moments to Remember," carried out in the decorations--- symbols of our sports, dramas, "hot rods," exams, graduation.

The dance was preceded by a "coketail" party; it concluded with a trip to the Glen Casino and Niagara Falls. These are the memories of a wonderful evening cherished by both classes.

The Maroon Oracle has been a Lancaster High School student publication for many years. It furnishes a worth-while extra-curricular activity for all students interested in the journalistic field. Any boy or girl in grades 7 through 12 is eligible to join the staff. The present staff had about 35 active members.

Awards are given at the end of each school year to those students who have contributed in some way to each issue. Aside from the work done by the editor and reporters, the advertising and business managers carry a heavy responsibility to make the paper a financial success.

Students who subscribe to our school paper eagerly await each edition to read about their fellowclassmen and all the activities of the school they love.

# football 1956

This year's Varsity football team was one of the best to represent the Red and Black in several years. Winning 7 out of 8 games, Lancaster lost the Division II championship only to a strong Cleveland Hill club.

Coaches Simon and Kaminske took their group of young juniors and a few veteran seniors, and molded a top-notch team that almost retained the title for a second year, playing excellent football in every game.

Undaunted, the boys on the team worked hard, and the week after their one defeat, came back to end the season with a smashing victory over Amherst (Division I champs) with a score of 20-6. It compensated to some extent for their loss of the Division II championship.

We are proud of our one senior and two juniors who were named to the Division II All-Star Team, Larry Schmitz, Vernon Gay and Paul Stoldt.

Lancaster's veteran basketball team started slowly, but after the Christmas holidays put on a drive to post a season record of 12 - 6.

Led in scoring by their offensive demon, Lou Gnagnarelli, and their fine rebound artist, Frank Beyer, they were able to clinch a second place berth in Division II competition. Much credit is also due to the defensive play of the team captain, Ron Martzolf.

Never outfought, the great senior group of Jim Kegler, Ron Martzolf, Frank Beyer, Bill Rosenthal, George Besch, and Lou Gnagnarelli have left an excellent court record.

In its third year of wrestling the Lancaster team had another winning season with 12 victories and 4 losses. In Division II competition Lancaster finished third with a 6 and 4 record.

In the Section VI tournament George and Bill Miner emerged as sectional champions. Michael Maccarone lost in the finals and was second in his division. Prospects for next season look good, with most of the experienced veterans returning.

Pete- First I want to wish you all the luck in the world on your exams. I know you can do it. It really been loads of fun knowing you and always remember the good times we had together. I'll never forget the gang. I'll miss Eve and you and the chicken but I hope you change your mind about school because it's almost too late to change your mind because no one realizes how important school is until it's almost too late. I won't lecture you after I've cooked!!! I'll miss you and myself being one of the wonderful people I've met. Don't forget to come to see us. Have a wonderful time to be looking forward to seeing you. Please always enjoyed that battle in your locker yet? Bee good and God Bless you graduation and stuff. Remember me. Love + Stuff. Irene
